Dedication

The members of the Board of Trustees of Holmes Junior College have for many years been faithful and earnest in the performance of their duties in behalf of our school. Progressive and intensely interested in education, they have endeavored continuously to further the interests of Holmes Junior College. In sincere appreciation of the principles for which they stand, the time and the effort they so freely give, we dedicate to them this, the 1948 edition of HORIZONS.

Administration

P R E S I D E N T ' S M E S S A G E

My sincere wish for each of you students at Holmes Junior College is that as the years pass you will strive to keep a wholesome, open-minded attitude toward the problems of life.

The ability to think life's problems through clearly, to hold dear our democratic principles and if necessary to fight for them, to wish for others the same good things in life that you desire for yourself, to give happiness to others wherever you are—these and many other traits so necessary for a happy and successful life depend to a great extent upon your ability to maintain an open mind, free from bias and prejudice.

These traits are characteristics of youth. You possess these now. Keep them. Shun pessimism, defeatism, littleness, cynicism, and frustration, and your life will be richer and fuller, and will be a blessing to those with whom you come in contact.

Sincerely,

R. H. Branch

GROWL

The first edition of THE GROWL, the Holmes Junior College newspaper, was printed in October, 1928. It has grown from the four-page paper of its origin to the eight and ten page issue of the present time.

The greater part of its progress may be attributed to the interest of its sponsor, Miss Sallie B. Jones, who guided it through the hard years from 1930 to 1935. Lacking financial aid from advertisers, Miss Jones and the staff made money to keep THE GROWL alive by selling candy, peanuts, and popcorn in the dormitories and at ball games. Although at times it was only a mimeographed paper, it was then, as now, of great interest to the students. Ten years later Mrs. Montague, the former Miss Sallie B. Jones, again became sponsor of the paper. Once again it became a printed publication.

The major aim of the Staff is to publish a paper that is representative of the spirit and ideas of the student body.

Crowning of Queen Highlights Homecoming

The crowning of Grace Inez from the House of Kirk as football queen was the high light of the Homecoming activities. Grace Inez is the daughter of Mr. and Mrs. A. Miss

In the recent selection of the Young Horizons staff, Fannie Lynn Young and John Howard Douglas were named as the top positions. The New Year found the staff coming back with big plans for the holidays as well as a new staff. What's this about? Jeanne Arden says, "I don't know. I think it's about Pully Clark saying, 'I don't know.'"

Something New Has Been Added

Mrs. McKie is looking forward to having a good choir this year since she has about seventy-five students practicing already. With this number of voices from which to choose, she will have one of the best choirs in junior college circles. Both a boys' and girls' octette is made up of: Arlo Reed, Grace Kirk, and Jean Wilkes as altos, Julia Guidry, J. and Hub. Staff, Carew, Hayes.

In football Holmes Junior College had one of those seasons which come to nearly every school now and then. Despite innumerable injuries and tough luck, the team won four games out of a tough eleven game schedule, losing most of the seven by only one touchdown. The inspiring thing about the season was the determination and fine spirit of the boys in spite of their defeats.

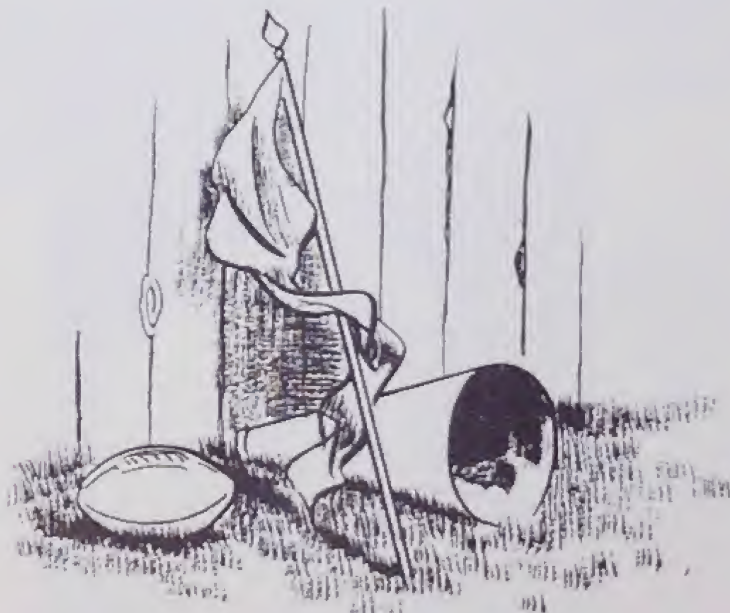

We think that Coach Binion and his assistants did a splendid job under existing circumstances, and we feel that with the nucleus of good solid boys who will return next year, we can look forward to a highly successful season.

Coach Branch, as well as the faculty and the students, are proud to have represent the school the high type of boys and girls who went out for basketball this year. Their training, enthusiasm, cooperation, and dependability resulted in a very successful season. According to conference games won and lost during the season, the boys rated second in the state, but as a result of tournament play they ranked third. The girls won five games, tied one, and lost seven, but none of the defeats were overwhelming.

Coach Garret was faced with building a track team from the beginning as we had not had track here since 1941. He had trained by the end of the season a fairly well-rounded team, winning in the state meet one first place, one second, and several third and fourth places.

The tennis squad made a record of which we are proud also. The boys' singles and the girls' doubles came out second in the state. We are expecting a good season for them again this year.

Although we had not had baseball since 1941, the boys won seven out of fifteen games last season.

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are publishing 1948 Annuals for more than 900 Colleges and High Schools. This patronage indicates a wealth of ideas and service which has no doubt made possible the long record of our school annual achievement.
